San Bernardino County – The California Department of Transportation (Caltrans) will host four public meetings to advise local residents/business owners of progress of emergency road and slope repairs on SR-18, SR-330, SR-138 and 173. The emergency work is a result of the recent storms that caused major damage to most of the state routes in the San Bernardino Mountain region.

The meetings will be informal and Caltrans representatives will discuss current information regarding project status, estimated completion dates and detour routes. Qualified personnel will be available to answer questions from the public and to discuss issues surrounding the ongoing efforts to restore these mountain routes.
